

A small hedgehog is positioned on the left side of the frame, facing right. It is surrounded by a dense carpet of fallen autumn leaves in shades of red, orange, and brown. In the background, a forest path leads into the distance, flanked by trees with vibrant autumn foliage. On the right side, a mossy log is visible with two small mushrooms growing from it. The overall scene is bathed in a warm, golden light, creating a peaceful and contemplative atmosphere.

**‘Jezus zegt:
Ik ben de Opstanding
en het Leven.’**

Uit de Bijbel:
Johannes 11 vers 25a

Jezus geeft Leven
