

On a journey, but where to?

**Because man goes
to his eternal home.**

ECCLESIASTES 12 VERSE 5B

TRAVELLING

When we travel, we go from one place to another. We go from A to B. When we travel we go for a visit, a vacation or we just travel for work. Our life is also like a journey. Life's pathway starts on the day of our birth and lasts until the day of our death. We all make this journey.

It can be interesting to read the life stories of people. We also find them in the Bible. For example the life of Adam, the first man on earth. He deliberately changed the course of his life and the life of his descendants by turning his back on God. But you should also read of the life story of Jesus! He came all the way from heaven to this world to become a human being, like us. He came to search for men who have walked away from Him! To change the course of their lives! That is what He still does in our present.

Have you ever thought about YOUR LIFE'S JOURNEY?

We are travelling to our eternal home. There are only two possible destinations: you come home with God or you will be in a place without God. Jesus says in the Bible, the Book of God: 'In My Father's house, there are many mansions'. There is only one access to enter in. Jesus says: 'I am the Door!' Only by repentance and faith in Jesus Christ you have access to the house of his Father. He is the only Way to God. Don't you know how you can come close to Him? Read in the Bible and pray that God will bring you on this way and guide you. Only then you will come home with God and have eternal life in his glory!
